Kingsmead School

A partner academy in John Taylor MAT

GCSE

- **Moving into KS4**
- **GCSE grades are really important!**
- **6th form and university places depends on them!**
 - It is harder to get top grades (Grade 9-1)
 - More exams to sit
- Top grades don't just happen because you are clever!
- Don't waste your potential

How parents can support

- Talk about what your child is learning
- Discuss/look at your child's homework-Show my homework
- Speak to subject teachers if there are any concerns
- Encourage your child to read
- Encourage your child to make the most of all opportunities and have extra other interests.
- Discuss future plans
