## Y11 Mock Exam period Monday 6<sup>th</sup> March – Friday 10<sup>th</sup> March

Dear Parent/Guardian

I would like to take this opportunity to provide you with information regarding the year 11 March mock exams which are soon to start.

For all exams students should arrive at least fifteen minutes before the start of their exam to ensure they know their seat number; this will be displayed in the dining room, outside the sports hall and also outside the main hall. Students attend lessons as normal in the morning. This means if they have an exam first thing they should go to their normal timetabled lesson once the exam has finished.

From Monday the 6<sup>th</sup> of March exams we are allowing students are allowed to leave the school following morning and afternoon exams to prepare for their next exam. We are pleased to say this right has been awarded Year 11 because of their good behaviour during the December mock period. The Learning Centre in school will be available for those students who wish to remain in school to revise at this time.

Every student is expected in the morning and afternoon even if, in unique cases, they no longer take the exam on the timetable. They will have an alternative compulsory support session.

We have included with this letter the Year 11 support sessions over half term and the revision schedule for next half term. These will also be available on the website.

Yours sincerely
