29th November 2023

Dear Parents/Guardians,

We will be hosting a Christmas celebration on Thursday 14th December from 2.00pm till 3.00pm for Grandparents and older relatives of Kingsmead students.

This will be a fantastic opportunity for people to meet the student leadership team at Kingsmead and enjoy an hour of festive crafting and music from some of our amazing vocalists. We will also provide drinks and small bites.

We are asking parents to nominate a grandparent or older member of the community to come and join us for this event. Due to space restrictions, we can only accommodate 50 individuals, so places are limited. Please make sure you get your nominations in promptly to avoid disappointment.

Kind regards,
Miss R Collins
Subject Lead of Music and Performing Arts
