

**Please read the following information very carefully before making an application to change schools**

## **Admission to a School other than the Normal Age of Entry (In-Year Admission)**

The application form should **NOT** be used to apply for school places for children with an Education Health Care Plan (EHCP). You should contact the SEND Assessment and Planning Service for advice on telephone **0300 111 8007** if this applies.

### **IMPORTANT: -**

The decision to change schools during the school academic year can sometimes have a negative effect upon a child's education and therefore it needs to be considered very carefully. In all cases a child should not be withdrawn from formal education before an alternative school place is secured.

Please consider carefully the information below before deciding whether or not to apply for a transfer between local schools for reasons other than a house move. ***Moving school without confronting the issue may help in the short term but in the long run it may not help your child.***

- **Dissatisfaction.** Make an appointment to explain and discuss your concerns with your child's Head of Year and /or Headteacher. They may not be aware of your concerns and it may not be in your child's best interests to change school. Issues can often be resolved.
- **Non-School attendance.** Schools can often offer support or signpost you to relevant agencies that can assist you in attempting to resolve any underlying issues relating to poor attendance.
- **Behaviour issues.** Some parents/carers want to change schools because they think their child's behaviour will improve with a change of school. It is more important for everybody to work together in trying to address and resolve the difficulties that are causing the poor behaviour. Changing schools should not be used as a way of avoiding a fixed term or a permanent exclusion unless this is a managed process agreed by both schools.
- **Bullying.** You may think that a change of school is necessary because you feel that your child is being bullied. All schools have anti-bullying policies, and, as such, if you think your child is being bullied you need to tell the school immediately to discuss your concerns further.
- **Years 9, 10 and 11.** Parents whose children are in Years 9, 10, 11 need to be aware that a new school may not be able to exactly match a child's existing curriculum commitments and a change of school during a school year can seriously impact upon a child's educational outcomes. Not all schools offer the same subjects at examination level and this should be explored with your preferred school.
- **Special Educational Needs.** If you are concerned that your child's special educational needs are not being met you may find it useful to contact SEND IASS – Staffordshire Family Partnership for independent advice and support on telephone: **01785 356921** email: [sfps@staffordshire.gov.uk](mailto:sfps@staffordshire.gov.uk)

Any parent requiring support with the in-year application process is asked to contact the Customer Contact Centre in the first instance on **0300 111 8007** or email [admissions@staffordshire.gov.uk](mailto:admissions@staffordshire.gov.uk)

### **Moving into an area during the year**

The law enables parents of children seeking a school place to express a preference. The School Admissions team will be able to give you indicative information about the availability of school places in the area. Parents should note that admission authorities cannot guarantee a place for any child at their preferred school, even where they move into the schools catchment area. You can check for your catchment area school at: [www.staffordshire.gov.uk/localview/](http://www.staffordshire.gov.uk/localview/)

### **Admission Arrangements**

For details of individual school admission arrangements please see the particular school website or the County Council website [Education and Learning - Staffordshire County Council](#)

### **Making a Preference**

This application form should only be used to apply for school places in Staffordshire and should be **sent directly to the preferred school**. This includes Academies, Foundation, Trust Schools, Catholic Schools or Church of England Aided Schools. If you wish to apply for a school place in another area please contact the school for details of how to apply. **Parents are advised to either visit the preferred school or to have an initial discussion with the headteacher regarding their reasons for choosing the school to ensure that the school feel that it is in the child's best interests to be admitted.**

It is important to note that transport will only be provided in line with the county council's transport policy and usually is only provided if your child is attending "the nearest school with vacancies" – if you are unable to obtain a place at a local school and wish to enquire about vacancies at alternative school or your eligibility for home to school transport please email [admissions@staffordshire.gov.uk](mailto:admissions@staffordshire.gov.uk)

### **Applications for Siblings**

Please be aware that if you are applying for more than one child to change school, it may not be possible for your preferred school to admit any or all of the children. In such circumstances any offer of a school place will be for the child named and will not give the other children any priority for admission as a sibling link.

### **Getting Your Child to School – Home to School Transport**

Parents have a responsibility for ensuring that their child/ren attend school. When considering changing your child's school or if moving into the area you need to consider very carefully how your child will get to school as your child will only qualify for transport assistance in accordance with the county council's home to school transport policy can be found at: [www.staffordshire.gov.uk/schooltransport](http://www.staffordshire.gov.uk/schooltransport)

### **Free School Meals**

If you are claiming free school meals for your child and your application to change school is successful, you will need to notify the free school meals service of your move. Further information can be found at [www.staffordshire.gov.uk/freeschoolmeals](http://www.staffordshire.gov.uk/freeschoolmeals) or by emailing [freeschoolmeals@staffordshire.gov.uk](mailto:freeschoolmeals@staffordshire.gov.uk) or telephone **0300 111 8007**.

### **How to Appeal**

If it is not possible to agree to your request for a school place, you have the right to appeal to an Independent Appeals Panel. Information on the independent appeals process will be provided (if necessary) when you receive the outcome of your application.
