Dear Parents / Carers

It is with great pleasure that I am able to share our new Ofsted judgment which puts Kingsmead as a Good school with outstanding features. We are very grateful for the support that we received during the inspection and this acknowledgement of the hard work and commitment from Staff, students, parents, JT MAT, Governors and our local community. Together we created the school that we wanted our children to attend, a school where children thrive. We are confident that going forward we will continue to embed the excellent provision of the school and go from strength to strength.

Many parents have already registered their interest in influencing future decisions about Kingsmead in our visioning group by clicking on this [link](#). If you would like to join this team, please click on the previous link or go to this page to express your own interest: <https://forms.office.com/r/yuFBDzJw6K>

We are already the most oversubscribed 11-18 school in Staffordshire, please be part of shaping what we do next.

Best Wishes

Maria Mincher
