23rd June 2021

Dear Parents/Carers

Whole staff training day – Friday 9th July.

I am writing to inform you that the training day cancelled earlier this year will be rescheduled to Friday the 9th July. This will allow staff to undertake essential, training on the latest research on strategies to close academic gaps post pandemic building on the outcomes from students end of year examinations. Staff will also create materials for the blended learning platform to support students in undertaking independent catch-up during home learning throughout the next year.

Students will be set work on this day which will be focussed on the use of the blended learning platform and specific tasks to support closing gaps. In year 7,8 and 9 students will also have a carers-based project to complete.

I hope that you will understand that we have waited to confirm this day until we were clear on the local situation around Covid-19.

Best Wishes

M. Mincher
