Re: Year 7 Parent Partnership Evening

Dear Parent/Carer,

I'm sure you are aware that, as a school, we are always seeking positive ways of strengthening our partnership with you. The importance of school working with both students and parents **together**, we believe, is paramount to helping your child achieve their potential and maximising their achievement. It is for this reason that I would like to warmly invite you to our **Year 7 Partnership Evening** on **Tuesday, 1st October (5pm-6pm)**. This will be an opportunity for us to inform you of important things happening within school to support Year 7 during these times, things to look forward to during the year and to inform you all about learning at Kingsmead. During the course of the evening we will explore issues such as:

- Learning at Kingsmead - Teach to the Top
- Rewards and Sanctions
- Learning Cycles and Assessment at Key Stage 3
- The Blended Learning Platform
- Progress Reports/Progress Reviews
- HPA – Highfliers
- Enrichment

You will also have the opportunity to meet one of our excellent, passionate members of teaching staff who will be guiding both your child and yourself through how to use the Blended Learning Platform, Show My Homework (Satchel One), SENeca and how to access your child's progress reports throughout the year in a computer room, enabling you to get involved in your child's learning. We are convinced there are immense benefits to be gained from such close collaboration between home and school, enabling us to support your child to be the best that they can be; I hope you will be able to attend. Parking will be available on the main school car park and Rocky Park playground on Wood Lane. You will be greeted at the front of school (by the main reception) by a member of staff who will direct you where to go.

Please complete the Microsoft survey below to confirm yours and your child's attendance. Due to capacity restrictions, we ask that, where feasible, only one parent and child please attend. Please make sure you have your child's school log in details for their user area with you as this will be needed for part of the session:
