## Social Science Revision Guide

Dear Parent/Guardian,

We would like to welcome your child to studying the Social Sciences at Kingsmead School Sixth Form. As A-Level courses, students are expected to spend as much time studying and revising as they do inside the classroom over the next two years.

We want to encourage students to build a healthy and regular study habit from the off in Year 12, so students are best placed to succeed over the next two years. As students revise for assessments, they should do so in an eclectic way, making use of their lesson notes, a revision guide, lesson resources we have placed on the Blended Learning Platform and past paper questions.

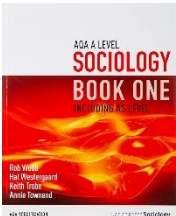

To that end, we would like to encourage all students studying A-Level Psychology and/or Sociology to purchase a course textbook. To reduce any cost to yourself, we advise you to acquire the relevant textbooks second-hand at websites such as eBay or Vinted.

I have attached images of the relevant textbooks and their publishers below for your convenience.

**Psychology:** AQA Psychology for A Level Year 1 & AS (Dave Berry, Cara Flanagan, Matt Jarvis, Rob Liddle) (1<sup>st</sup> or 2<sup>nd</sup> Edition)

**Sociology:** AQA A Level Sociology Book One Including AS Level (Rob Webb, Hal Westergaard, Keith Trobe, Annie Townend)

Yours faithfully,

Mr. J. Muttitt  
Subject Leader Psychology & Sociology
