22nd November 2023

Dear Parents and Performers,

We have been invited to visit the students at St. Peter's Primary School and complete a workshop on orchestral instruments for them.

The students at St. Peter's have been learning about a variety of instruments and have asked for the help of our Sixth Form Music students to give them an insight into how these instruments work. This will be a fantastic learning opportunity for Unit 1 as Kingsmead students will be explaining their instruments to beginners.

We will complete this visit during lesson time on Tuesday, 28th November when students have a two-hour scheduled music lesson. We will meet in A2 at 8:30am and walk up to St. Peter's to start the workshop at 9:00am. We will then leave St. Peter's at 10:00am to return to school for 10:30am.

We hope you can join us for this workshop.

Kind Regards,

Miss Collins

Subject lead of Music and Performing Arts

Permission Slip – Workshop at St. Peter's Primary School

I give permission for my son/daughter to attend St. Peter's Primary School on Tuesday, 28th November 2023.
