Saturday Sessions: Invitation Letter

Dear Parent/Carer,

As the mock exams approach (w.b. Monday, 27th November), it is important that students prepare well, and we are offering your child the opportunity to attend a Saturday morning support session to aid them in achieving the highest possible grade.

To support your child with their preparation and revision for these mocks, STEM teachers are delivering 'masterclass' revision sessions on Saturday, 18th November.

Please support your child's revision and exam preparation by ensuring that they attend these masterclasses:

	Session 1	Session 2
Saturday 18 th November	10am to 11:30am: Science with EBE, in B7	11:30am to 1pm: Maths with LPM, in B8

Your child should enter the school in the usual way for Saturday School - by using the car park gate and House of Pi (Dining Room) door, at the side of main reception. Students are not required to wear school uniform for these sessions.

If you have any queries, please contact Ms. Pedley-Whittingham on (l.pedley-whittingham@kingsmeadschool.net) or Mrs. Bracebridge on (e.bracebridge@kingsmeadschool.net).

Yours faithfully,

Ms. L. Pedley Whittingham
Director of Mathematics

Mrs E Bracebridge
Assistant Headteacher
