

KINGSMEAD SCHOOL

YEAR 7 ENRICHMENT OPTIONS

WELCOME TO ENRICHMENT

Welcome to the heartbeat of Kingsmead – our vibrant Enrichment Programme, where learning transcends the ordinary, and passion finds its home. As we embark on this exhilarating journey, let's delve into the dynamic world of extracurricular activities and discover how they not only enhance academic performance, but also sculpt well-rounded individuals poised for success.

Our array of clubs are designed to cater to the broad spectrum of passions that pulse through our student body. Picture yourself discovering culture and tradition from across the globe in Festival's Around The World or stepping into the shoes of Luke Littler during Darts Enrichment. The possibilities are endless.

Our Enrichment programme seamlessly intertwines with Kingsmead's core values encapsulated in RIME – Resilience, Innovation, Mindfulness, and Employability. Through enrichments such as Boxing, Chess, Touch Typing and Stand Up, students actively develop resilience by facing challenges, cultivate innovation through creativity, embrace mindfulness through purposeful activities, and enhance employability skills through practical experiences.

A class cultivating resilience by challenging students to push through physical and mental barriers. Students will improve discipline, focus and perseverance as they learn techniques and endurance. Through sparring and drills, students develop resilience to overcome setbacks and build confidence in their abilities, both inside and outside the ring.

RESILIENCE

INNOVATION

MINDFULNESS

Enhance critical thinking, concentration and creativity through friendly competition at Chess Club. This is for chess enthusiasts of all levels, whether you're learning the basics or advanced strategies. Chess is great for sharpening your mind and has a focus on Innovation and Resilience.

RESILIENCE

INNOVATION

MINDFULNESS

Love fun, food, music, and costumes? Come explore amazing festivals from around the world—from Brazil's Carnival to India's Diwali! Each week, we'll dive into a new country's culture with games, crafts, stories, snacks, and even mini parades! Make new friends, try cool activities, and become a global explorer—all without leaving school!

INNOVATION

MINDFULNESS

LITTER PICK

Ready to save the planet and have fun doing it? Become a Litter Pick Hero! Each week, we'll explore the school grounds and local parks, cleaning up rubbish and making our world a cleaner, greener place. You'll get cool gear, take on eco-challenges, and even earn special rewards for your hard work. Work as a team, protect nature, and be a real-life Earth-saving superhero!

RESILIENCE

INNOVATION

MINDFULNESS

EMPLOYABILITY

ROOM OF CURIOSITIES

Welcome to the Room of Curiosities—our very own school museum filled with fascinating artefacts, ancient fossils, mysterious objects, and jaw-dropping discoveries! Each week, you'll unlock the secrets behind strange items, explore the wonders of the past, and become a mini museum curator. Touch, investigate, ask questions, and even help design new exhibits! If you love cool facts, ancient treasures, and the thrill of discovery, the Room of Curiosities is calling your name!

INNOVATION

MINDFULNESS

TRAVEL CLUB

Have you always been fascinated with far away lands, tropical destinations and the variety of culture our planet has to offer? If so, Travel Club enrichment is the place for you! Based on the BBC series 'Race Across the World' we will learn about far away countries and discover different cultures.

MINDFULNESS

EMPLOYABILITY

PERSONAL FINANCE

Want to be smart with money and have fun at the same time? Join Money Masters Club and learn how to save, spend, and grow your cash like a pro! Each week, we'll play games, run mini shops, design dream budgets, and even earn classroom coins to spend in our own reward store! Get ready to become a money whiz and boss of your own budget!

INNOVATION

MINDFULNESS

EMPLOYABILITY

POLITICS AND LAW

Ever wanted to be a leader, change the rules, or have your voice heard? In Junior Politics Club, you'll learn how governments work, debate big ideas, and even vote on fun classroom laws! We'll play games, create campaigns, and hold mock elections—you could even run for "Prime Minister for the Day!" Speak up, stand out, and shape your own mini country with your friends!

INNOVATION

EMPLOYABILITY

STAND UP COMEDY

Love making people laugh? Got a silly story or a funny voice? Then the Stand-Up Comedy Club is for you! Each week, you'll learn how to write jokes, tell funny stories, and perform your own comedy routines on stage (or just for friends if you're shy!). Build confidence, boost your creativity, and have loads of laughs while learning the secrets of great comedians.

RESILIENCE

INNOVATION

EMPLOYABILITY

SCIENCE CLUB

Boom! Bang! Wow! Get ready for mind-blowing experiments, fizzy potions, and cool creations in the Awesome Science Club! Each week, we'll explore the wonders of the world—like making slime, launching rockets, and discovering how things glow, float, or explode (safely, of course!). If you're curious, creative, and love a good "Eureka!" moment, this is the club for you!

RESILIENCE

INNOVATION

EMPLOYABILITY

TOUCH TYPING

Touch typing is a skill that changes what you can do. It's a way to type quicker and in a way that you can type for longer. The ability to touch type will help you at school, further education and in future employment. We will show you how to do it and practice it so it becomes something you can do.

RESILIENCE

EMPLOYABILITY

SIGN LANGUAGE

There are many people in society who have the hidden disability of slight, moderate or severe hearing impairments. People find it difficult to engage with society due to this disability. During this enrichment you will learn the basics of sign language so you are able to support people in your family or perhaps in school to feel included within society.

RESILIENCE

MINDFULNESS

EMPLOYABILITY

Meet our beautiful animals at Kingsmead Farm. Learn about what really goes on behind the scenes to look after the animals with handling, husbandry and problem solving skills, plus benefiting from one on one time with them and getting to know their personalities.

Are you ready to get active, have fun, and test your strength? Boot Camp Club is packed with exciting challenges like obstacle courses, relay races, team games, and fitness fun! Each week, we'll run, jump, stretch, and cheer each other on as we build our strength, speed, and confidence! So, grab your trainers, bring your energy, and join the ultimate fitness adventure!

Love to write and get creative? In Calligraphy Club, you'll learn the art of beautiful writing—using special pens, inks, and styles to turn letters into masterpieces! From fancy alphabets to decorative quotes and handmade cards, you'll create amazing designs to show off and share. Calligraphy helps with focus, patience, and creativity—and it's super fun too!

Enjoy feel-good dance aerobics that encompasses our school values throughout. Resilience in taking part in a new class, Innovative in being part of some choreography for new chart music, Mindful in exercising the body and mind and employable in showing that you will take on any challenge to better yourself.

Nationally, Darts is on the crest of a wave with the likes of Luke Littler who have elevated darts from a pub game to an internationally recognised sport. As part of enrichment we will be offering Darts to teach students a new skill whilst also developing their Maths with addition, subtraction, multiplication and combining scores.

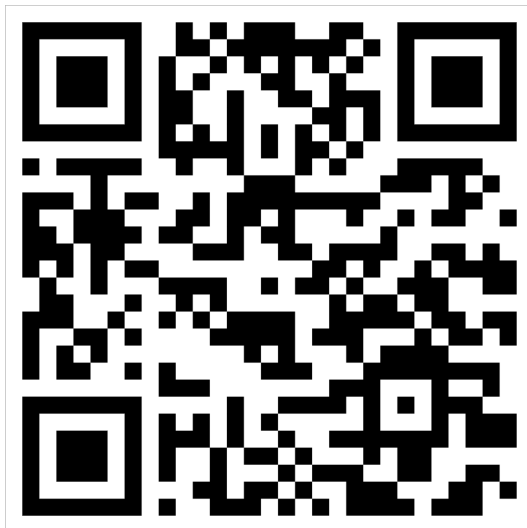

Play isn't just fun—it helps you grow, solve problems, and work as a team! In the Power of Play Club, you'll dive into exciting games, build epic creations, act out silly stories, and let your imagination run wild. For 10–12 year olds, play is super important for learning, relaxing, and building friendships—and we've got all that and more!

Now, let's talk about the excitement of choice! Our selection process is uniquely student centric. Imagine a canvas where you, the artist, paint your path based on your passions. Students have the power to choose up to twelve enrichments, (you will take part in six), from a captivating menu. This personalised approach ensures that your journey is tailored to your interests, creating an unforgettable experience that resonates with you throughout the school year.

So, fellow Kingsmeadians, scan the QR Code and let the excitement of choice, the thrill of exploration, and the joy of discovery guide you through our Enrichment Programme. Here's to a year filled with learning, growth, and the thrill of discovering the extraordinary within yourselves. Welcome to Kingsmead's Enrichment Programme – where the extraordinary becomes the everyday.
