Re: Year 7 Highflyers Programme

Dear Parent/Carer,

Your child has been identified as a high attaining student within their year group and has been invited to be part of the Highflyers programme. This is based on their Key Stage 2 scores as they entered Kingsmead and their current attainment across their subjects.

As a school we want to support and challenge your child as much as possible to reach their potential. This will be achieved through a variety of methods as part of the Highflyers Programme. I would like to invite you and your child to a meeting in the main school hall from **5pm-5:30pm on Tuesday, 6th February** to hear more information about how the school will support your child and explain how we can work together in partnership to give them the best possible chance of success.

I hope you and your child are able to join us for the meeting. Please indicate on the reply slip below if you and your child will be attending and email this to me by 2nd February at r.hall@kingsmeadschool.net. Alternatively, you can print off the slip and your child can bring this to me in the PE office. If you cannot attend but would like the information, please let me know on the email and we will arrange an alternative method of sharing the information.

I look forward to seeing you.

Kind regards,

R. Hall
