

# Music Curriculum Journey

**Elements of Music**  
 You will learn about the building blocks of music throughout KS3 and KS4 – Melody, Rhythm, Dynamics, Instruments, Pitch, Tempo, Articulation, Texture, Tonality

**Listening**  
 You will learn the skills needed to listen to music in a critical way, in order to analyse and evaluate its features.

**Performing**  
 You will learn skills needed to rehearse and produce a confident, and fluent performance as a solo performer and in an ensemble. You will be developing your singing and instrumental skills

**Composing**  
 You will learn the skills needed to compose detailed and appropriate music in different styles, catering for different moods and applications.
